

Statement of Compliance - Product Security and Telecommunications Infrastructure Act

This Statement of Compliance is issued by Passiv UK in accordance with the Product Security and Telecommunications Infrastructure Act 2022 and The Product Security and Telecommunications Infrastructure Regulations 2023.

This statement of compliance concerns the following products:

- Passiv Smart Thermostat

In relation to the above product, Passiv UK declares that it has, in its opinion, complied with the applicable security requirements in Schedule 1 of the Product Security and Telecommunications Infrastructure Regulations 2023.

Passiv UK will provide security updates for the above product for a minimum of two years from the end of manufacture.

Signed for and on behalf of the manufacturer

William Heinzelmann

Product Director
